# GENERAL MEMETICS NEWSLETTER

## April 2022

Dear Friends,

It feels like our writing retreat in Brazil and Mexico is winding down. As time relentlessly ticks on, our fantasy worlds about completing projects by a certain date crash viciously against the rock-hard calendar, leaving a chaotic slime of question marks. If not now, when? Why this and not that? Who do you think you're fooling?

Ah, yes. As they say, *"Reality is hard and persistent, and will kick you in the ass every time."* (I asked Google who 'they' were to be so bold as to say something like this, but she would not tell me.)

The General Memetics Team, including Ewa Wichmann, Naomi Warndorff, Georg Pollitt, Vera Luísa Franco, Julyan Davey, Anne-Chloé Destremau, Markus Bork, Ragui Elissa, Susanne Hutzler, Phyllis Goldman, Devin Gleeson, and Clinton Callahan wrote mountains of new Experiments for [StartOver.xyz](#), sent out weekly [S.P.A.R.K.s](#) by email, added many articles to [Jewels Of PM](#) website, many historical and current Podcasts to [Next Culture Radio](#), many edited interviews to the [Gaian Road Team](#) website, and many thoughtmaps to the [PM Thoughtmaps](#) website.

Did you ever feel a fear creeping up your spine that you might be asked to speak? If you are stupid enough to try, you might fail. You might not be good enough. You might make a mistake and be judged, criticized, blamed, or attacked. You might cause pain or embarrassment for someone else. Worktalk recording

Have you ever dreamed of switching over to a life that makes sense?

The moment you do, all the barriers rise up: Who would I do it with? What are the new ways of life? Who will support me emotionally, with clarity and compassion? Where could this actually happen?

So many of these game-stopper questions are answered in Bridge-House, the rapid-learning research centers for Archearchy.
