GENERAL MEMETICS NEWSLETTER

February 2022

Dear Friend,

After using the distinctions, tools, thoughtmaps, and processes of Possibility Management for some months or years it is easy to forget what life was like before. But imagine wanting to connect and communicate with others... or participate in a team... or create a project... without knowing about:

- Keeping your [Center](#), [Grounding Cord](#), and [Bubble](#).
- [Minimizing NOW](#).
- [Becoming Present](#).
- Shooting Parent, Child, and [Gremlin](#) Voices with your [Voice Blaster](#).
- [Creating](#) and [Navigating Space](#).
- Having your [Sword Of Clarity](#) and [Possibility Paintbrush](#) to hand.
- Using the [13 Tools](#) on your Energetic Toolbelt.
- Having your [Transformed Gremlin](#) awake and alert, helping from your side.
- Detecting [Low Drama](#) and [Reactivity](#).

- them.
- On and on...

As a little [Experiment](#), imagine not having all these skills integrated into your daily life. What would it be like? When I try this Experiment, I instantly feel sad, scared, angry... [emotions](#) which before now might have been unconsciously [Mixed](#) together as Regret, Shame, Embarrassment, Depression, or Guilt, creating all kinds of [Conclusions](#), [Resentment](#), and loneliness in my life. I would not want to go back to the 'bad old days' before I could apply these jewels of Clarity and [Possibility](#) in my [Relating](#).

This is what motivates me to do everything I can to share these [Nonmaterial Treasures](#) with as many people as possible, in [Articles](#), [WorkTalks](#), [Workshops](#), [Trainings](#), [Videos](#), [Podcasts](#), [Films](#), [Newsletters](#), and [Websites](#).

I share this part of my life with you as an invitation to help me open [Doorways](#) and [Build Bridges](#) for the other people in your life who are still using the [Standard Human Intelligence Thoughtware](#) they were given by [school](#) and [modern culture](#). Sure, many of them may not have the interest or [free attention](#) to watch a [S.T.A.R.R.](#), read a [S.P.A.R.K.](#), try out [Rage Club](#), or come to [Expand The Box training](#). But some might.

And for those who do... they will probably think about you the same way you think about the person who invited you to check out something from Possibility Management.

With all the crossed-purposes and shadowy-intentions in the world these days, with so much clearly at stake, more and more people are asking, "*What else is there? What else is possible? How do I get there?*" People are more willing now than ever before to try 'radically' new things, because following the 'safe', 'familiar', and 'comfortable' ways is no longer safe, familiar, or comfortable.

Something completely different from this is possible right now. You already know this, but do your friends? Do your neighbors and colleagues? If you do not tell them, who will?

Love from the General Memetics News Team
