## How to hack shell shockers eggs

Updated Hack for Shell Shockers Discord Join the discord ( for the newest releases and incase I am away others will post updates there. IMPORTANT FOR DOWNLOAD DO NOT DOWNLOAD THE Developer Extension FOLDER AND LOAD AS A CHROME EXTENSION. THAT FOLDER IS FOR DEVELOPERS. Note : If you are teleporting around or other players are teleporting around this is a sign the game has updated. Read below on how to Fully Update Hack If the hack just won't work check if the hack is older than 30 days and read how to Re-Upload the Hack Download Download the Shell Shockers Hack (V#) and add as a chrome extension. If the update is older than 30 days old you need to re-upload the hack file. To re-upload the hack file : Video : Download shellshock.min.js Go here : (Note you can use a different service but it needs to be https) Upload shellshock.min.js Right click on download button and copy the download link Go to the Chrome Extension Folder and open content.js Edit the script.src url to the url you copied. Save the file Reload the extension in chrome. Fully Update The Hack Video : Download shellshock.min.js Go to Open Dev Tools (f12) Go to Sources tab in Dev Tools Find shellshock.io/src/shellshock.min.js Open it so it shows up in Dev Tools Click the "{}" to pretty print the file. (Next to Line and Colum Below Text Viewer) Copy the text and make a new file file. Copy the text above "var extern = ..." in shellshock.min.js to the new file. (Also put it above "var extern..."") Go through the shellshock.min.js file and find all the changes marked by "// hack-change" and add them to the new file Upload your new file to Right click on download button and copy the download link Go to the Chrome Extension Folder and open content.js Edit the script.src url to the url you copied. Save the file Reload the extension in chrome. Developers Video On Developer Stuff : You need node.js Download Developer Extension folder and add it to chrome Download index.js Download shellshock.min.js Download start.bat Make sure start, index, and shellshock are in the same folder Run start.bat You can now go the shellshock and use the hack. Any updates to the shellshock file will update when shellshocker.io is reloaded. Page 2 You can't perform that action at this time. You signed in with another tab or window. Reload to refresh your session. You signed out in another tab or window. Reload to refresh your session. Blue Wizard Digital4,51,468,997 votesShell Shockers is a 3D multiplayer egg-based multiplayer shooter. In the game you fight you against other online gun-toting eggs. The game has several gaming modes: Free For All, Teams and Captula the Spatula, which is similar to Capture the Flag. Also, it is now possible to fully customize your egg with colors, hats, stamps and loadout. Go into battle carrying an Eggk-47, RPEGG or a Crackshot. Don't forget to use the power-ups by clicking the chicken-nugget in the bottom and be sure to crack those other eggs in battle! How to play Shell Shockers? This is how you play Shell Shockers:Move around using WASD. Keep looking around with your cursor to spot enemies.Shoot your enemies using LMB and use LShift to aim.Use spacebar to jumpUse Q to throw a grenadeDon't forget to reload your gun using R How many maps does Shell Shockers have? Shell Shockers currently has a total of 21 different maps to play, but there are still new ones coming in. Is it possible to get an invisible shell in Shell Shockers? Unfortunately this is just a bug... Or is it hacked?! In that case we consider it cheating, so we are not going tell you how:). Who developed Shell Shockers?
