It is the official language of Pakistan and is widely used in India and other Urdu countries (Urdu: اردو) is the national language and one of Pakistan's two official languages (the other English), and one of India's 22 planned languages as the official language of the five Indian states. Pakistan's official literary language, closely related to Hindi; widely used in India (mostly by Muslims). Written in Arabic Arabic Urdu Dictionary - Ibn Seerin Ibn Seerin Dream Dictionary: According to Islamic internal traditions Dream interpretation is one of the first knowledge that was revealed to mankind. This valuable book is a useful guide to the types of dreams and their meanings. Although the book looks at dreams and their meaning from an Islamic point of view, the truth on which it is based and on which it reveals is a universal and primal reality. Therefore, this book is intended for all those who seriously take dreams as an important aspect of their lives, faith and psychological composition, and it will be useful for students of culture and spirituality, but above all to seekers of truth. First, Ibn Serin's dream dictionary is an irreplaceable source of knowledge. It provides guidelines for the dream interpreter as well as for the person who is connected to his dreams. This unique dictionary also processes the interpretation of dreams by counterposition, interpretation by correlation and approximation. It includes explanations of rare dreams that have influenced the history of mankind. They include the dreams of God's prophet Adam, Noah, Abraham, Ismail, Daniel, Joseph, James, and Muhammad, all of them being peace and blessings. It also provides interpretations of rare and unique dreams given by the spiritual masters of this unique art. How to interpret your dreams. Who sees a dream, a soul or one?? What does it mean to see yourself walking on water? What is the meaning of true or false dreams? More than 4,300 entries with extensive index and user guidance. Here is a valuable book that the reader will cherish for years to come. It is a culture and spiritual gift for professionals, psychologists, dream translators, scientists, students, and people from all walks of life.89% (8) 18 volumes Masood Jhandir Oxford English Dictionary is located in Sardar Pur Shandir, a small town 12 km from Maisy in Punjab, Pakistan. Yaptianez deseltmelerle Makine zelsisinin helismesin katkid bulunuyorsunuz Others translate: Urdu Urdu is widely used in Pakistan and India. Pakistan has two official Urdu languages. It is also the official language of some parts of India. Urdu means the word ARMY in Turkish. That's why it's called the army language. Although it is very similar to the Hindi language, Urdu is mostly spoken in northern India, where Muslims are more concentrated. Sometimes called army and army speaks meaning of language as well. About 200 million people in the world speak Urdu. It is written in Arabic, although it is the same as Hindi. Urdu is not the original language. Turkish is a mixture of Mongolian, Persian, Sanskrit, Arabic, Hindi and other languages. With the conquest of the Indian subcontinent, Mahmut Ghazneli, the Turkish soldiers who came here developed as a result of the merger with the people of the region. Many Turkish words were translated into Urdu. This is a great way to learn a language that is difficult for Urdu to extend down as it is true, since the combinations of letters are correct, although there is a simple grammar structure. The important Sufism classic of the Islamic world is written in Urdu. In general, religious and literary works are available. Countries where Urdu is used as an official language (native): In Arabic, one of the most wonderful languages in the world is Arabic (اللغة العربية), Al-Lu'at ل'Arabiyya or just عربي, 'Arabia'). Elegant adjacent letters, a rich vocabulary and a wonderful style give the Arabic language a unique character and taste. Sami is the largest member of the language family. And it's written from right to left. When the Koran (the holy book of Islam) came down, it would change Arab society with its unique, attentive style and messages, and the Koran would move the Arab to become the world's language. With the spread of Islam in the Arabian Peninsula, Arabic has also expanded with numerous forms of expression, styles and banks. Arabic is one of the most common languages in the world. Language, Arabic is the language of the Koran and has great respect for the Muslim world. In addition, a non-Arab Muslim child begins to learn Arabic at a young age to read and understand the Koran.
