It is a pleasure for us to present this book Statistics-1 (Basic Statistics) for students of the first semester of the B.Com program. The book is prepared in accordance with the new curriculum, effective from June 2016, introduced by the University of Gujarat. Each topic has a detailed theory for careful knowledge of the subject, illustrative examples for conceptual understanding and exhaustive implementation with additional goals. Components Book stats-1 consists of four units that: Linear correlation Attribute Association Linear regression Business forecasting Goal We have tried to discuss these topics in simple terms. A review of the exercises at the end of each chapter and questions with multiple answers along with the answers. We hope this will help students prepare for their exams. Offers and feedback from the teaching fraternity and students sincerely requested and will be appreciated for further improvement in the quality of this book. Point to illustrative examples and MC at the end of each chapter this statistics book is exclusively for GSEB 11th grade students. Components The statistics book presents various chapters related to data sampling, data representation, data collection, variance measures, and distortion of frequency distribution and geometric progression. Goal We have tried to discuss these topics in simple terms. A review of the exercises at the end of each chapter and questions with multiple answers along with the answers. We hope this will help students prepare for their exams. Offers and feedback from the teaching fraternity and students sincerely requested and will be appreciated for further improvement in the quality of this book. Home /Commerce, SouthBCom/Statistics (Paper-5) Pranav Shah holds a master's degree in finance and banking. He has also completed many certificates such as ca Foundation, CFA, software development, etc. His sound academic background along with 15 years of rich academic experience has blessed him with a greater understanding of the needs of the student, resulting in him developing a student-specific result-oriented pedagogy. He is also a prolific writer. He is the author of many books of accounts and statistics published by well-known publishers such as B.S. Shah, M. Jayant, etc. He has been teaching students for more than 15 years and has been associated with Swastik School as Principal - Incharge. and Ahmedabad International School. Despite his busy schedule, he devotes his time to social work and charity. He has rightly earned a reputation as a capable leader and is highly regarded as a teacher. b s shah statistics pdf std 12. b s shah statistics pdf. b s shah statistics std 12 pdf download. b s shah statistics pdf download. b s shah statistics std 12. b s shah statistics pdf free download. b s shah prakashan statistics
