## OUR STORY is your story

As a non-profit organization modeled on servant leadership, **3:11** is called to be stewards of goodness. We share goodness with those that want to help and those that need help. It is how we serve: kind hands, merciful feet, compassionate words, and charity in our hearts. You will hear the workers and donors of **3:11** say this again and again: "Our hands and our feet, our words and our hearts, will not tire until we have helped everyone." Ours will be a community of neighbors and friends who leaves no one behind.

*"Share with the one  
who has none."*

## AMY's JOURNEY

*"I had big dreams of saving the world. As an undergrad I studied religion and psychology, as a grad student I studied education and business management. From my studies and my life's work, I began a simple idea – four pillars on which we can support everyone – community, friendship, compassion, service. Each comes from one of the areas of my expertise. Together, they are unstoppable."*

*"From the beginning I knew... This is why I learned theory, this is why I live servant leadership, this is why I build community, and this is why I love. I was meant to share this beautiful journey with everyone."*

*"What began as volunteering and small ideas, became hundreds of opportunities to help those in need. My dream has become bigger. My story is not my own. Now with hundreds of supporters, volunteers, donors, and friends, we are introducing the mission of 3:11 Project to new people every day. We are helping families in need with families who want to give. I am so proud of what we have done, and feel never-ending excitement on where we are going. I want to share this with you, because we can become a force of goodness and make big differences in the lives of others."*

*"We are just getting started. Let's save the world right here at home. Together."*

*Love, Amy*

## OUR MISSION, OUR PROCESS

Through a community of givers and receivers, we commit to our friendships, live compassion, and serve all. We are making a lasting difference in the lives of others. Our givers share what they have, our receivers share their hope and their opportunity to serve. Our mission is to be a force of goodness.

Our process is simple. Families in need reach out on social media – using social media for social good! Families who want to give, share with . You can donate, support, or volunteer! Volunteers, then pack and deliver goods to those in need. A community of friendship, compassion and service is born. We take one more step forward, making a difference neighbor to neighbor.

*“Are you ready to discover what it's like to be a part of something bigger than yourself? Are you ready to be a part of our story? Share your story today.”*

## WHAT'S HAPPENING ?

**FOX VALLEY AREA** - Amy Lawler wants to bring people together from all walks of life to build communities of hope. She is doing this right here in her own neighborhood and is casting a wide enough net to capture the entire Fox Valley Region. Amy Lawler wants to save the world, starting at home, and here is how she is doing it.

Lawler started **3:11 Project**, a soon to be 501(c)3 organization (approval pending) , as a small startup this past July, in her hometown of Montgomery, IL. The goal is simple: "Share with the One who has None." Before the Fall start to this school year, Lawler's **3:11 Project** provided 28 children with full school supply lists during her August School Supply Drive. Supplies included: backpacks, athletic clothing, notebooks, binders, art supplies, pens and pencils, and calculators, among other items. All items were donated from neighbors near and far.

## NEW PARTNERS

Partnering with national organization **Mercy Housing**, **3:11 Project** has committed to providing holiday gifts for nearly 200 families. Resident Service Coordinator at Mercy Housing Lakefront (Batavia Apartments), Veronica Horton, said that one of the main reasons she wanted to partner with Lawler's **3:11 Project** was because she believed in what Lawler is doing.

**3:11 Project** received a donation of 200 Santa Bags from **Blanks and Beyond**. Lawler is currently seeking gift or fund donations to fill the bags. Donors sponsor a family helping **3:11 Project** fulfill its vision of "Share with the One who has None."
