WHY GET INVOLVED?

- Do you know why the place you live is and was unique?
- Do you understand how your neighbors got here, what they have been through, what people do for work, etc. --- to help you figure out your role in life?
- Do you know enough about your neighbors to care about them?
- Do you recognize that hearing about other's experiences can help you make your life decisions?
- Do you have role models that can guide you now and beyond KCS?

Let each become all he or she is capable of becoming.
