Play the game like our famous Sonic Hedgehog, and many of his friends like Tails, Amy, Knables, and so on. Discover Sonic Dash in refreshing gameplay with improved graphics and mechanics. Find out more about this amazing game with our reviews. StorySonic Dash 2 has similar elements for other runner games such as Temple Run or Subway Surfer, but comes with unique Sonic styles. In the game, players will have their chances to take part in an epic endless gameplay runner where you find yourself running at supersonic speed through several cards with different obstacles and enemies. Use the superpowers of your characters to get your advantages against enemies. Take them down and break down barriers with your crushing attacks. Feel free to run, dodge, and unlock amazing buffs to get you as far as you can. In this new game, you'll have access to many exciting new features that weren't available in the previous game, like updated graphics, new missions and pleasant events to unlock, and more. Another. Make sure you're ready for your next adventure. Here you'll find all the interesting features that the game has to offer: To add something new to the gameplay, Sonic Dash 2 will now allow gamers to participate in interesting races with up to three different characters, not just one. That being said, along with classic runs, you also join Team Play mode where you can choose between different runners in the game. Feel free to swap between different characters in the middle of the race to earn high scores. With different powers, Sonic Dash 2 characters can easily take down enemies as well as obstacles with their amazing attacks. Choose between The Sound Dash Ring Magnet, Amy's Ring Hammer, Helmet Knuckle, and so on. Each skill will have its own unique effects, so this will make the team's game even more enjoyable, as you can vary between them. In addition, gamers in Sonic Dash 2 can also pick up their own character settings with many options available. Feel free to turn your amazing hedgehogs and echidnas into well-dressed superheroes that you've always wanted. With Dr. Eggman and Badniks up to some evil schemes, you need to put an end to their actions by embarking on this ultimate runner challenge. Find yourself smashing through a few obstacles, swiping badniks, and conquering amazing running tracks with your ultimate speed. And speaking of which, in Sonic Dash 2, gamers will find themselves in a completely new world with many new treadmills with unique and interesting obstacles. Dash on new tracks as you make your perfect finish in the game. For new gamers, in Sonic Dash 2, you'll have access to exciting Swing and Tilt gameplay via Enerbeam. This will allow you to tilt the device so that you can swing between the rings and balls while collecting them. It will certainly deliver more refreshing and immersive gameplay than the classic endless runner games. Also, for those interested in collecting buffs and bonuses, Sonic Dash 2 will offer you the odds to collect amazing Sprites. These amazing creatures will give you advanced powers as well as epic instant boosts that you can use. And most importantly, they are completely upgraded so that you can easily develop your Sprites to unlock their full potential. And along with the usual gameplay and missions, gamers in Sonic Dash 2 can also enjoy exciting events and challenges where you can unlock epic rewards that aren't available anywhere else. The game is currently free for all Android users to enjoy. That being said, you can have it installed on mobile devices right now without having to pay anything. Just remember that you will still be bothered by ads and in-app purchases. So if you're not completely New game from SEGA, we have just the right things for you.
