

Marko Vujicic, Ph.D.

Marko Vujicic currently serves as Chief Economist and Vice President of the Health Policy Institute at the American Dental Association. Previously, he was Senior Economist with The World Bank in Washington D.C. where he focused on health systems reform in developing countries and directed the global health workforce policy program. He was also a Health Economist with the World Health Organization in Geneva, Switzerland. In all of these roles, Dr. Vujicic led large-scale strategic initiatives focused on bringing cutting edge data and research to specific health policy challenges.

Dr. Vujicic has published extensively in peer-reviewed journals such as *Health Affairs*, *The New England Journal of Medicine*, *JAMA*, *Health Services Research*, *Health Economics*, *Social Science and Medicine*, and *Medical Care*. He is also the lead author of the book, *Working in Health*, which examines health workforce challenges globally and has written several book chapters on health care policy issues. His team's work has been cited by *CNN*, *The New York Times*, *The Washington Post*, *The Wall Street Journal*, *Fox News*, *NOVA*, and *The Atlantic*. He has been invited to provide testimony to federal and state legislative committees.

Dr. Vujicic holds several academic appointments. He is adjunct senior fellow at the Leonard Davis Institute of Health Economics, University of Pennsylvania and affiliate faculty at the Center for Health and the Social Sciences, University of Chicago as well as the Center for Health Services and Policy Research at the University of British Columbia. He is an adjunct professor at the University of Toronto and a visiting assistant professor at Tufts University.

Dr. Vujicic obtained his Ph.D. in Economics from the University of British Columbia and a Bachelor's degree in Business from McGill University in Montreal.
