***Loan offers are given by independent lenders based on approved credit. Not everyone will qualify. Prosper Healthcare Lending is not itself a lender. We do not make loans or loan decisions. We help you inquire about loans by sharing your information with independent lenders that may be interested in lending you the money you need for the treatments you are considering.

*Finance anything—
long term stay, outpatient,
travel, medication,
and more.*

*Only for inquiries submitted through the Standard Credit Program.

**The annual percentage rate for this loan is fixed and will not vary.

***Loan terms vary from 24–84 months based on approved credit, loan amount, and the program you qualify for. For example, an 84-month term is only available on the Exceptional Credit Program for loan amounts greater than \$25,000. Individuals requesting more than \$35,000 must submit to the Exceptional Credit Program. The annual percentage rate for this loan is fixed and will not vary. All loans are fixed-rate.
