Vision bird cage stand

NEW Vision Stands now available Designed exclusively to showcase the Vision bird cage, the Vision base is a practical and elegant addition to any home décor. The robust construction and a neutral lime finish combine to provide a solid and modern base for the vision cage. As an added bonus, the stand is equipped with a storage rack to keep your bird's food and supplies in an area. Modern lime finish Accessories shelf Neutral design to suit all décor Easy Assembly Vision Ergonomic Perches HARI approved and ergonomically designed. Vision Perches feature a unique multi-handle surface that promotes foot movement and helps prevent foot problems such as bumblefoot in birds. Perches are designed to be accessed from the outside, a non-invasive approach that reduces pressure on your bird during cage maintenance. Installation is easy, simply insert the perch between two cage bars and rotate 90 degrees to lock in place. For use in cages with horizontal rods only. Made of durable plastic that is safe for dishwasher. Available in three vibrant colors (olive, turquoise and orange). Vision Seed/Water Cups The vision seed/water cups have two compartments for a variety of feeding options. It can be used either for food or water. The Seed/Water Cup can be accessed from the outside of the cage, reducing pressure on birds during maintenance. Made of durable plastic that is safe for dishwasher. Available in three vibrant colors (olive, turquoise and orange). Vision Bird Bath A colorful and practical bird cage accessory. The Bird Bath Vision adds visual flair to your bird cage and provides hours of fun swimming for your bird. Designed with meritocratic measures and practicality, this specially constructed bird bath has a clear, plastic hood, a textured non-slip base. The closed hood provides privacy, contains splashes, and protects your bird from designs. With two-piece, snap-fit assembly, installation is easy, simply insert the back of the bathroom between two horizontal cage rods and clip the locking mechanism to secure to the horizontal line. For use in cages with horizontal rods only. It consists of durable plastic that is dishwasher safe. Lock Clips: Installs easily in cage bar. Fits more standard cages Two piece snap-fit assembly Contains splashing and protects birds from plans Vision bird bath reviews What exactly has approved by HARI mean? Investing in their health. Dedicated to their own. HARI's continued progress in livestock farming has led to advances that improve the quality of captive breeding and the conservation of accompanying birds. Consulting services with veterinarians and bird technicians around the world, as well as development, testing and field testing conducted directly at the Institute. HARI works to develop superior standards and is responsible for innovations such as Tropicana, Tropimix, Prime, Clay-Cal and Vision. HARI approved approved states that this bird product has been scientifically developed and/or researched and tested in HARI and is of excellent quality for accompanying birds. HARI Approved bird products such as Tropicana, Tropimix, Prime and Vision are used worldwide and are recommended by demanding companion bird owners, elite aviculturists, and endangered species breeding and conservation programs.
