Brown - During his career, Dr. Walter C. Brown was a leading authority in the fields of writing and print reading. He served as an industry consultant on the design and drafting of standards and procedures and occupied a variety of professional offices of state and national associations. Dr. Ryan K. Brown - Dr. Ryan K. Brown is a retired faculty member of the Department of Technology at Illinois State University, Normal, Illinois, where, for 26 years, he taught various writing and design courses in both mechanical and architectural applications. His teaching experiences also include four years as a faculty member at his alma mater, Eastern Kentucky University, and five years teaching drafting at senior junior and senior level. Her work experiences cover a variety of short-term consulting positions with a wide range of writing tasks and graphics, such as steel details, plant designs, and architectural drawing and modeling. Throughout his career, he has held workshops for companies in the field of printed reading and geometric sizing and tolerancing. As a service to high school education in Illinois, he continues to serve as a test author for various writing and design contests. With regard to this text and accompanying materials, please do not contact the author, Dr. Ryan K. Brown, in the following email: rkbrown@ilstu.edu Students, we are committed to providing you with high value course solutions supported by great service and a team that cares about your success.
