

Carly Rae Jepsen - Call Me Maybe

[Verse 1]

I threw a wish in the well
Don't ask me, I'll never tell
I looked to you as it fell
And now you're in my way
I trade my soul for a wish
Pennies and dimes for a kiss
I wasn't looking for this
But now you're in my way

[Pre-Chorus]

Your stare was holding
Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where you think you're going, baby?

[Chorus]

Hey, I just met you, and this is crazy
But here's my number, so call me maybe

It's hard to look right at you, baby
But here's my number, so call me maybe
Hey, I just met you, and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

[Verse 2]

You took your time with the call
I took no time with the fall
You gave me nothing at all
But still you're in my way
I beg and borrow and steal
At first sight and it's real
I didn't know I would feel it
But it's in my way

[Pre-Chorus]

Your stare was holding
Ripped jeans, skin was showing
Hot night, wind was **blowing**
Where you think you're going, baby?

[Chorus]

Hey, I just met you, and this is crazy

But here's my number, so call me maybe
It's hard to look right at you, baby
But here's my number, so call me maybe
Hey, I just met you, and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

[Bridge]

Before you came into my life, I missed you so bad
I missed you so bad
I missed you so, so bad
Before you came into my life, I missed you so bad
And you should know that
I missed you so, so bad

[Breakdown]

It's hard to look right at you, baby
But here's my number, so call me maybe

[Chorus]

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

[Outro]

Before you came into my life, I missed you so bad

I missed you so bad

I missed you so, so bad

Before you came into my life, I missed you so bad

And you should know that

I missed you so, so bad

So call me maybe
