

Britney Spears - Sometimes

[Verse 1]

You tell me you're in love with me
Like you can't take your pretty eyes away from me
It's not that I don't wanna stay
But every time you come too close, I move away

[Pre-Chorus]

I wanna believe in everything that you say
'Cause it sounds so good
But if you really want me, move slow
There's things about me you just have to know

[Chorus]

Sometimes I run, sometimes I hide
Sometimes I'm scared of you
But all I really want is to hold you tight
Treat you right, be with you day and night
Baby, all I need is time

[Verse 2]

I don't wanna be so shy, oh, oh
Every time that I'm alone, I wonder why
Hope that you will wait for me
You'll see that you're the only one for me

[Pre-Chorus]

I wanna believe in everything that you say
'Cause it sounds so good
But if you really want me, move slow
There's things about me you just have to know

[Chorus]

Sometimes I run, sometimes, sometimes I hide
Sometimes I'm scared of you
But all I really want is to hold you tight
Treat you right, be with you day and night
All I really want is to hold you tight
Treat you right, be with you day and night
Baby, all I need is time

[Bridge]

Just hang around and you'll see
There's nowhere I'd rather be
If you love me, trust in me

The way that I trust in you

[Chorus]

Sometimes I run, sometimes, sometimes I hide

Sometimes I'm scared of you, ooh

But all I really want is to hold you tight (Hold you
tight)

Treat you right, be with you day and night (Day and
night)

Sometimes I run, sometimes, sometimes I hide

Sometimes I'm scared of you, ooh

But all I really want is to hold you tight

I'll treat you right, I'll be with you day and night

All I really want is to hold you tight

Be with you day and night

Sometimes I run, sometimes, sometimes I hide

Sometimes I'm scared of you

But all I really want is to hold you tight

Treat you right, be with you
