Gameplay Game allows the player to choose from five different modes, including indoor football, and then choose from 128 different international teams, all with different strengths and weaknesses. Unlike the original game, where the strongest or best-known teams were real names, World Soccer '94: Road to Glory all footballers' names are fictitious. Each UEFA (Europe) CAF (Africa) CONCACAF (North American Central America The & Caribbean) AFC (Asian) OFC (Oceania) team at that time will appear in the game, except for Yugoslavia, which was banned from international competition from 1992 to 1994 in the war itself. World Soccer '94: Road to Glory is not a language-select prompt on the home screen. There are many options and features, such as pitch surface renderings of outdoor friendlies; wet surfaces are slower than the water surfaces. Wind strength can affect the flight of the ball, new FIFA rules will influence whether the extra time uses Golden Goal (sudden death) rules - because of the loss. Auto Keeper, when turned on, made a goalie kick the ball upfield automatically after recorded shots on goal. After saves, the goalie takes control automatically when the Auto Keeper is turned off.
