Insurance, Instruments & Transport

Remember that you must ensure you have insurance for yourself and your instrument. Side by Side does not have insurance that covers damages during the camp.

Transport of double basses and tubas:

You bring the double bass/tuba yourself to the first rehearsal.

Side by Side transports double basses and tubas to and from Scandinavium after the rehearsals. For other transfers between locations, you carry your own double bass/tuba.

NOTE: The instrument must be labeled with the participant's name and the Side by Side track name. Our transport staff will also attach temporary labels to the cases with the track name.

Other instruments must be carried by each participant. It will be possible to store instruments at the Concert Hall between rehearsals, for example during lunch, but the instruments are not monitored. We recommend that everyone takes their instrument home or to their accommodation overnight.
