Description: Wings Over the World, a few words I need to begin writing my book of lifetime was the thought that came to my mind when Dr. Sanjay Sharma made a request to me to write his biography. This idea has got wings now and I plan to make this book as a milestone in my life. This biography is a milestone not only in my life but also in Dr. Sanjay Sharma's life as he has gone through very hard times in life and has not only survived but also emerged as a fighter. My journey to begin this biography began one fine day when I went to a friend of mine and discussed Dr. Sanjay Sharma's biography. It seems that he was doing research for his book. He gave me his book of the journey so that I could read it and from that day I was hooked on to Dr. Sanjay Sharma. I was so intrigued by his life and I wanted to see what the book would have. He encouraged me to write the book and in less than a month I had the plan for the book and I was busy writing. The whole journey was so engrossing that I began to feel the urge to write my book as I felt my personal journey was similar to Dr. Sanjay Sharma's. The book was supposed to be the biography of Dr. Sanjay Sharma but since I got involved so deep into his personal life so I decided to make it a biography of Dr. Sanjay Sharma and a memoir for me. This book has covered all of Dr. Sanjay Sharma's life, his achievements, his struggles, his amazing philosophies and his philosophies. He is my hero. This book covers his personal life, his childhood, the journey of the Indian Ordinary Revenue Service (IRS), his struggles with the prime ministership, his achievements in the IRS, his resignation as the IRS, his sudden death, the release of his last
