Dear Families,

We know that the food your child receives at school plays a very important role in preparing their minds and bodies for learning. Dragon Dining continues to stay focused on ensuring that the food they receive is nutritious, delicious & safe.

As you may have noticed when purchasing food for your family, food prices in Japan have recently started to rise. In order to keep up with the pricing of our vendors and at the same time continuing to meet the high standards expected at YIS for the first time in 2 years there will be a small increase in the price of lunch next school year.

Larger lunches are still available at no extra cost, and to reduce the crowding and movement in the busy lunch room, students should ask Dragon Dining staff for an extra serve at the point of collecting their meal rather than return to the serving hatch.

Set lunch price increase:

Delivery Bento ¥50
Elementary School ¥20
Middle/High School ¥20

If you have questions or concerns, please contact dd@yis.ac.jp

Sincerely,

A handwritten signature in black ink, appearing to read 'Darren Prest'.
