Introducing Our Missions

The journey of the Household of Faith over the past years has not been easy, challenged by the Covid-19 pandemic that created obstacles for our fresh endeavour. Despite this, through thick and thin, our membership were resilient and are now stronger than ever.

From the very beginning, missions was etched into our overall program. In the first year, we hosted a Missions seminar on 30th March 2018 at the Metropolitan YMCA. The event was well attended, featuring speakers from China, Malaysia and Indonesia (photos on this page).

Throughout the past years, the Household of Faith frequently hosted speakers from Malaysia, Indonesia, Philippines, Papua New Guinea and other countries with dedicated missionaries. We are looking forward to this year's Missions Sunday on the 7th December with the first of 3 sermons, starting this morning.

Jerusalem = Our Family

These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. (Deuteronomy 6:5-7)
