A LITTLE ABOUT CHARLIE FRIDAYS

We pride ourselves on creating a comfortable and unique space, bringing our lovely locals and visitors together to experience our little hub of happiness in Lynton!

Keeping our dishes fresh and making as much as we can from scratch in our kitchen is what keeps us busy!

We aim to source and make use of the abundance of local produce we have here in North Devon. Please see our 'keep it local' wall next to the front door to see our awesome local suppliers!

Our resident chef @robssoulfoods has also joined our team and will be in the kitchen a few nights per week creating world - inspired streetfood dishes after travelling the globe extensively!

We have lots of plans for the year ahead including ladies bring and share nights, live music, children's parties & community fundraising! Check out our Facebook & Instagram to keep up to date!
