

ECHOES OF UNITY, VOICE OF HOPE

by: DR. OLIVER E. ORTIZ JR.

I.

The voice is heard with grace,
Calling for justice in every place,
It resonates from hills, rivers, and sky,
A sweet song that is the unity that never die.

II.

We've dreamed since we were young with care,
With hope so tightly we share,
Our song-like voices in harmony's light,
A world that's fair is where peace shines bright.

III.

The language of our nation shines so bright,
It turns the dark to a faithful light,
There are voices for truth with courage held high,
It binds us all and united beneath one sky.

IV.

We adhere to each other through the pain,
Continue to fight for just again and again,

Our strong faith is still here as we hold hands,
Hope will walk with us forward across the land.

V.

Our mouths speak out and we stand up for just and right,
Bringing us together to peace and light.
Together as one, so our hope will remain strong,
The sound of voices of people will forever live on.

VI.

We plant the seeds of hope and we grow,
This land we love and call as home we know.
With justice and love, we walk as one,
Until the setting of the golden sun.
