

Inspiring  
Women in  
Hospitality

## Vision

To achieve gender balance at all levels of hospitality.

## Mission

We cultivate an environment where collaborative dialogue and mutual support flourish. Empowering women to forge strong connections and advance their careers. By uniting their voices, our community becomes a catalyst for driving progress toward gender balance.

## Value proposition

More than a community, Inspiring Women in Hospitality is an online haven for women in the hospitality industry to inspire and be inspired. Our platform facilitates women to connect, learn, and share while enabling them to build a strong network, advance their careers, and gain the visibility they deserve. Through our mentorship program and impactful conversations, Inspiring Women in Hospitality stands tall in hospitality as a supportive, nurturing, and inclusive platform for women striving for achievement and recognition in the hospitality world, contributing actively to achieving gender balance in the industry.
