Add all 16,943 song-picks you want (and exclude the ones you don't): Download and listen to our FREE recommendations, and then use our free custom apps to set up your own playlists - all from within Apple's own App Store - WITHOUT ads, banners, or jilted ex-girlfriends stalking you! ## FREE 3 PREMIUM PROMOTIONS (ACHIEVE YOUR DREAMS) ## Advanced Password Retriever is the first and only premium password retriever app for iOS devices that is developed by iPhone/iPad owners and iPod/iTouch users - designed, developed and tested to bring you the best browsing experience on the App Store. • A free lite version also available. • A one-time purchase for your lifetime of access to all versions of the app. NOTE: This is a onetime purchase for your iPhone/iPad/iPod/iTouch. (Your iPad has a non-transferable warranty). Download today and start breaking into safes in no time. Get your own "perfect safes" list - here and now on the App Store. Start using Advanced Password Retriever today, and have fun! • Advanced Password Retriever uses the best available databases to provide you with the most accurate results when accessing your data on the internet. • Advanced Password Retriever fetches passwords from more sites than any other tool - this is why we're called "Advanced Password Retriever". • Advanced Password Retriever will not only help you find your accounts on Facebook, Twitter, Instagram, etc. but will also open up your e-mail accounts, logins and much, much more! • We guarantee that we are the only password retriever that will help you access Facebook/Twitter/Instagram/email/etc. accounts without the need for a code or link sent to you from the site. • Advanced Password Retriever works with your local WiFi network or your iPhone/iPad/iPod/iTouch as it won't require any connection to the internet. • Advanced Password Retriever can be used to retrieve passwords even if the site you're trying to access requires a master password. • Advanced Password Retriever 520fdb1ae7
