

IT Vendor Management Consulting

MTS advises on best practices and ongoing services for IT organizations and business leaders.

MTS consultants possess decades of knowledge and experience working with IT Vendors and contracts. MTS assists in: Vendor selection, proposal, contracts, and much more.

Limited benefit from Vendor Contracts?

Not all vendor contracts provide the same benefits. It can be difficult to achieve your goals without proper review, negotiation and monitoring.

Experience & Detail Management Provide Value

Services:

- Vendor selection, proposal, contract assistance
- Vendor strategy consulting
- Staff and leadership coaching and mentoring
- Negotiating services
- Cost reduction of services
