

Gift Cards for Young Life

Young Life and Spring Lake Church have been working as partners for the last few years. During the recent Covid-19 pandemic, Spring Lake Church Downtown Campus has opened its doors on Tuesdays and Thursdays to provide Young Life students a safe, warm, and supportive environment to complete their virtual learning and connect in-person with friends and Young Life Leaders.

Young Life currently has a need for gift card prizes/incentives that can be given to students to encourage them to continue in their hard work and perseverance in school. Many of the students Young Life works with may not have a strong support system at home. The Young Life staff is seeking to help provide this support and encouragement when needed.

What is the need?: Young Life is looking for \$5-\$10 donated gift cards to be able to give to students as a reward for their hard work in school.

How to give: Donate a gift card electronically! Below is a list of business that offer electronic gift cards and that allow you to customize gift amount to only \$5.00. If you would like to donate a gift card, choose the location/business below, click the link, customize the amount, and you can send the electronic gift card directly to Young Life (Green Bay) at Younglifegbl@gmail.com. Young Life staff can then give these to students as incentives and encouragement.
