

# 5

## ways to enhance your culture **by** increasing diversity and inclusion

1

Teach your team to talk about race, bias and privilege.

2

Empower your team with understanding of historical context of race in America.

3

Provide clear pathways to increase diversity and improve inclusion.

4

Engage the hearts and minds of your team to co-create safe spaces for everyone.

5

Move your organization from compliance to cohesion by addressing cultural roots.
