Certainly one of the oldest books in the history of the world, even today you can walk into your local bookstore and not a copy. But before the invention of the printed press, that was not the case. In fact, there was not a Bible available for people to use in their homes. The only copies would be written and in the possession of religious leaders. Today, more than 100 million copies of the Bible are sold annually. And there certainly aren't many ancient manuscripts in the world like him. If you are a believer, it is God's word, he sends it to people to help them instruct, rebuke, teach, guide and more. It continues to have a profound impact on the world. In countries where Christians are persecuted, it can cost them their lives if they get into possession of one. Just how much do you know about the Good Book?
