

## Rainbow Madonna

*Sweet, Beloved Mother Mary, Divine Mother of all humanity, we align our hearts with yours  
and surrender to your profound love.*

*We give thanks for your eternal care, sweetness, grace and guidance.  
Oh, Divine Mother, Rainbow Madonna of light and beauty, we bask in the divine light of  
your love as it pours forth from your heart to ours.*

*As we are filled with the remembrance of our own radiant light and divinity, we ask you to  
help us embrace this remembrance through times of darkness or despair, to light our way  
back home to you.*

*Thank you, Holy Mother.*
