Packed with hazlenuts, walnuts, cashews, lentils and chick peas, this option is totally delicious and suitable for vegans too.

If vegan, please let us know as the Yorkshire's are a no go I'm afraid.

...to finish it all off, why not add our legendary cauliflower cheese? £3

*if you'd like yours not to be pink, please let us know when ordering. Unfortunately, it's not a steak so can't be cooked 'medium'
