5mod.ru, he survived the 2020 ©, 5mod.ru, the zenith. Survived - zenith, zenith, zenith. To survive in it, users have to learn the skills of hunting, extracting food and building a safe haven. It is also necessary to collect resources and use them for the manufacture of weapons and transport. The main distinguishing feature of the project is the presence of several modes, where gamers can team up with each other, confronting the living dead and other squads, or survive one by one. Outlived is an action-packed game with an isometric camera, beautiful graphics, and a popular survival environment in post-apocalyptic conditions. The world of applications collapsed under the onslaught of an army of zombies and others that followed a catastrophic infection. The task of users is to restore this game world. Search for weapons, supplies, places to build shelters, collect the remaining resources, fight with mutants and other monsters and that kind of different challenges do not let the player get bored. But keep in mind that this game requires a lot of concentration and it is not the best way to relax at all. The Outlived is a live game in which players compete with survivors to connect to the Internet. Initially, all basic fundamental skills, including shelter and protective walls, need to be mastered to collect survivors, victims, food and water resources. At the intermediate level, the survivors will make their own equipment and motorcycle crafts, and your own flame will also burn zombies. After playing in multiplayer mode, survivors will compete with each other for survivors. Features: - Team Match: Create a team with other players to protect against zombie hordes, along with other rivals. - Survival Challenge: Use your knowledge, skills and strategy to compete with other players. - Multi-Survival Challenge: Participating in teams against other players. - Solo Survival: Beat other players in the multiplayer competition, defeat all players and final score! - Craft System: Find food, search for hunting, find useful items or weapons and make your own! - Competitor: Fight with other people and give up zombies Explore different maps with other survivors: Rocky Films/Krles Woods/Reindeer/Quilt Clinic/What is new? The Outlived will immerse you in full With an aggressive world around you and a huge number of missions, performing which you will fight for survival. You have to fight a lot. You have to defeat a lot of monsters and other survivors, distraught with lack of resources. All this is done quite simply, but requires a considerable amount of money. In free crafting you can play without limits and quickly achieve good results!
