Declaration of human rights continues to play an instrumental role in the key to insist on the weakest of

consequences in a free world. This is an instrument of rights that can be used when necessary. It has been

used in the United Nations and by all of the members of the organization. It is a tool for the protection of

human rights and the advancement of human rights. It is a declaration of rights that was adopted by

the General Assembly on December 10, 1948. It was adopted by the United Nations General Assembly

by a vote of 48 in favour, 0 against and 7 abstentions. The declaration is divided into 30 articles, which

are intended to provide an international standard for the protection of human rights.
