NOTES TO THE CONDENSED FINANCIAL STATEMENTS

1 CORPORATE INFORMATION

China Innovation Investment Limited (the “Company”) is a limited liability company incorporated in the Cayman Islands. The address of the Company’s registered office is Sinclair Group Centre, 3rd Floor Genesis Building, Genesis Close, P.O. Box 498, George Town, Grand Cayman KY1-1106, Cayman Islands. Its principal place of business is situated at 26/F, No. 9 Des Voeux Road West, Sheung Wan, Hong Kong. The Company’s shares are listed on the Main Board of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) since 28 August 2002.

The Company’s principal activity has not changed during the period and is principally engaged in investments. Its principal investment objective is to achieve medium to long-term capital appreciation by investing in listed and unlisted companies mainly in Hong Kong and the People’s Republic of China (the “PRC”).

2 BASIS OF PREPARATION

The unaudited condensed interim financial statements have been prepared in accordance with the applicable disclosure requirements of Appendix D2 to the Listing Rules and the Hong Kong Accounting Standard (“HKAS”) 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”).

The unaudited condensed financial statements are presented in Hong Kong dollars (“HK\$”), which is the functional currency of the Company.

The unaudited condensed financial statements do not include all the information and disclosures required under the annual financial statements, and should be read in conjunction with the Company’s annual financial statements for the year ended 31 December 2024 (the “2024 Financial Statements”). The accounting policies and methods of computation used in the preparation of the unaudited condensed financial statements are consistent with those used in the 2024 Financial Statements, except for those new and revised HKFRSs and interpretation issued by the HKICPA that are effective for the financial year beginning from 1 January 2025.

The Company has not early applied the new and revised HKFRSs that have been issued by the HKICPA but are not yet effective. The adoption of these new and revised HKFRSs had no significant effects on the results and financial position of the Company for the current and prior periods.

PROSPECT

The Company is one of the few investment companies in Hong Kong focusing on investment business. We invest in listed and non-listed companies with high quality to strive for medium to long-term gains from capital appreciation in the course of securitisation of corporate assets invested, and apply the same as our key operation strategy and income source.

Leveraging on our experience and well-connected network in the Mainland China over years, the Company invested in energy storage products, lighting products, energy-saving materials, health communications, life services and asset management respectively through its investment. With energy conservation as our development goal, our investments have achieved breakthroughs in realising the six industries of “New Energy”, “New Light”, “New Materials” , “New Health”, “New Services” and “New Capital” in real projects.

For “New Energy”, the Company invests in Topsun, which adopts solar cell technology as its own core to develop the strategy of “Production — Research — Preliminary Research” for the research and manufacturing of solar cell application products.

For “New Light”, the Company invests in Aesthetic. Aesthetic’s major product is LED lighting. It possesses of LED ergonomics technology and the LED lighting products developed are energy-saving, environmentally friendly, long-lived and small in size.

For “New Materials”, the Company invests in United Overseas. United Overseas’ business started from building decoration materials, as focusing on four core product concepts of green, health, environmental protection and convenience, and gradually expanded to all kinds of essential home decoration products.

For “New Health”, the Company invested in FengTian. FengTian is principally engaged in development and sales of health communication products.

For “New Capital”, the Company invested in Grand Far Sky. Grand Far Sky was principally engaged in asset management. Grand Far Sky possessed a full-storey office property at the central area of Shanghai, PRC.

For “New Services”, the Company invests in Elife and Oasis. Elife mainly engaged in brand services, while Oasis mainly engaged in hotel services.

During the period, the Company continued to identify potential investment opportunities and made the strategic decision to invest in businesses with innovative models that align with the Company's objective of delivering medium to long-term appreciation. The Company explored opportunities to invest in free economic models, such as investing in photovoltaic buildings, which does not charge rent from users, but collects power generation revenue from power companies; investing in debt notes and charge customers no interest, but receive index-linked growth returns and so on. The Company endeavoured to invest in such innovative projects and has become a unique highlight in the market. All the subsidiary companies of Topsun, Aesthetic, United Overseas, FengTian and Grand Far Sky have actively responded to the new PRC's national policy of "Common Prosperity" and participated in the "Common Prosperity Plan" initiated by China Technology Education Trust Association which is a Charitable Society registered in Hong Kong. For more details, please refer to the website at www.19988.com. It promises to provide enterprises with one-stop solution relating to clothing, food, housing and transportation belong to 16 major categories of daily necessities products, in order to help our business customers to increase sales and end-users' consumption. Therefore, it has created a new paradigm of free economic business model. Elife and Oasis are also expected to participate in the above plan, demonstrating the Company's focus on investing in innovative projects and that it will continue to explore suitable and appropriate business opportunities.

Looking forward, the Company will continue to explore investment opportunities, especially identify those regarding innovative business models. Through the fulfilment of its social responsibilities, the Company will make effort in unleashing the power of investment for good.
