Drum carder for sale craigslist

We have the widest selection of drum carders and the lowest prices in the world, and we offer FREE SHIPPING in the US (adjacent 48 states) for all our products. We use high-quality caring fabric on all of our drum carders and mixing boards. We produce all our products in the United States. Usually we drive away all bookings within 1-3 business days (if we are busy it can be more than a week on some orders). We have many happy, satisfied customers and we are sure you will too. You have the option to buy a carder, every single accessory or you can buy our kits that include all accessories. All of our hand-cranked carders have a 5 to 1 ratio and are controlled by straps. All of our hand-cranked carders have a 5 to 1 ratio and are controlled by straps. Our baby is 4 wide, which produces 5 x 22 battles for our very wide big motorized, which produces a huge 18 x 39 battles. We give you the opportunity to choose from 5 different types of fabric to suit your carder needs. We offer two models of the Blending board. The Deluxe model finished oak wood. The standard is made of birch wood. Our Standard Baby and Baby Deluxe are 4 wide carders that only come in 72tpi fabric that is specially designed for different fibers, perfect for one with a small budget yet wants versatility and a compact drum carder. Our standard model is affordable yet offers a full size 8 x 22 batting and has options adding our entire accessories line. The Deluxe model is made of finished oak wood and produces 8 x 22 batting and comes with a brush fastening, clamp and doffer to collect batting and has the ability to add an engine in the future. Our little little motorized brother is a popular seller. It comes with all accessories and is small enough to carry around and offers hands free surgery with a 5 to 1 card ratio. It produces 8 x 22 batting. Our big motorized Big Brother produces 8 x 39 batting and has two engines for infinite card ratio and has no belts on the machine. The extra-wide, large, motorized carder produces a huge 18 x 39 batting and has an extra powerful engine on the big drum that can easily handle any great work of car maps. Our new Supercard is designed for fiber perfectionist, card of all fibers. Industrial quality of card fabric. Different fabrics on each drum, working/stripper combination. Roveguide system to relax 25 feet of stray straight out of the drum. Two engines to control the ratio of drums to feed speed. The cards of your well-prepared fibers are fine in one pass. His working drum impressively doubles car go-kart Full versatility without changing drums or pulleys. A book of instructions with helpful kardy tips. Security lockout. Ball bearings at all ends of the shaft. Unique fully variable section infeed. The ratio of cards from 80:1 to 500:1. Change the card coefficient by turning the dial. Draws only 2 amps, so it is suitable for solar energy. Our Ours The wool collector is a Cadillac of all swinging wool pickers. It is the perfect fiber training tool to tease, open and mix fibers to prepare them for karinga. Carding non-fresh fibers can damage both the fibers and teeth of the carders. Infinitely faster and more thorough than hand-leading. Impressive density of the collector's teeth is more than 620. Light, swinging on sealed ball bearings. Selected fibers are often spinnable without carding. A sturdy and attractive oak frame. Supplied fully assembled. Size 24 long, 24 high, 12 wide, weight 28 pounds. Table clamps for stability when used. Full directions to use. Security locking device, using a lock. Now with stainless steel top cradle arms and shaft. They can be very dangerous and should be treated with respect, please understand that before ordering. We offer additional drums that are easily replaced by a screwdriver. All of our luxurious and motorized models are built from ready-made solid oak and come with a slip tray under a big drum that catches everything and any debris. We can also replace the caring fabric and repair hand carders and drum carders. See our Repair Carder page. 30 DAYS RISK FREE! You can contact us at any time at 503-480-4886 or use our Safe Contact Form Page 2 Home About Us Buy product frequently asked questions using Carder Carder Repair Contact Us Reviews My Cart Welcome to Brother Drum Carder. We are designed to provide you with the best card products, with a focus on quality, accessibility and customer satisfaction. Founded in 2007 by brothers Gabriel and John Berukoff, Brother Drum Carder has come a long way from his beginning in creating carders for friends and family. When Gabriel and John first started, their passion for quality in house carder construction forced them to start selling online initially in North America. Now Brother Drum Carder can offer you the widest selection of drum carders and the lowest prices in the world! We are located in the Pacific Northwest of the United States in Silverton, Oregon, where fiber optic cards are very popular. We serve customers all over the world and are excited that we are able to turn our passion into our own website. It is a family business and is still growing and is always working on new products to make your card experience more enjoyable. We hope you enjoy our products just as much as we would like to offer them to you. Many of the The ideas and improvements come from knowledgeable card-savvy people and customers who provide their valuable input on how the design and design of our carders can become better and more user-friendly. Any constructive feedback from you, our customers is always welcome! If you have any questions or comments, please please hesitate to contact us. Sincerely, Gabrielle and John you can find our Drum Carders on eBay, Etsy, and we have distributors in Canada as well.
