'Paw Prints' December 2017 Update

Our classroom quote this month comes from Sean Covey's 'The 7 Habits of Highly Effective Teens' –

"You can go farther and faster with the help of others than you can alone!"

Here are a few other expressions and points of concerns from the students that they felt were important to express in their December news:

A.M. - "Let's make sure we put the quote of the month up for friends and family."

K.C. - "My most favorite thing this year was our NASA project."

M.N. - "Most of us learned cursive writing—we're all getting better in our work."

O.B. - "I would like to see our student council have their own column. We could hold contests where people submit their art to the cartoonist—which of course is me!"

Quotes concerning some of their activities experienced with other classrooms-

"The plant projects are fun!"

"We get to sing in our next drama production!"

"Jamba juice partnership is great!" - M.P.

And last but not least:

S.C. - "Christmas and Hanukkah are coming soon!"

What a great time to get with family and friends. Are

you more excited about getting presents or giving presents?"

THANK YOU TO ALL THE PARENTS & FRIENDS WHO HELPED TO MAKE OUR HARVEST SEASON SUCH A WONDERFUL CELEBRATION OF THANKSGIVING!
