- E-mail & Admin Activation
- Customizable
- Well Documented
- . Secure (PDO), Hashed, Free from SQL Injection, XRSF, etc

The screenshot displays the Xavier WordPress dashboard. It features a sidebar menu with options like Dashboard, Users, Profile, Roles, and Settings. The main content area shows a 'The Dashboard' overview with statistics for 4 Users, 1 Users Online, 2 New Users, and 1 Users Online. Below this, there are tables for 'Last 5 Visitors' and 'Last 5 Registered Users', and a 'User Registrations by Month' bar chart.
