

Office Heroes was born out of a the Pier 2 Pier Beach Clean community group - organising regular litter-picks on Brighton beach with fun and unique themes such as our famous 'Silent Disco Beach Clean' and our unique 'Beach Clean Bingo'. Since the project began in March 2017 over 1,000 residents and tourists have volunteered and removed over 1,000kg of harmful litter from the beach.

Office Heroes Days offer local business the chance to get involved in a worthy cause while enjoying a valuable team-building experience. Our core team are made up of professional event management, corporate hospitality and marketing professionals – so we can ensure you an unforgettable day out.

'Office Heroes Days' are available to book from Monday to Friday year-round.
