Defy your rivals and the laws of physics as you build and upgrade your fortress! Your pudgy warriors look great in their shiny armor! Nourish and train your troops, and they'll crush the armies of the Mighty Brain, find the shelter of the fearsome OM-NOM, put the Abyss Lord back in his place, and also burn down a couple of enemies' castles! All day long your scribes scratch your head with quills, cashiers spill coins on the floor and blacksmiths drop anvils on their feet for the sake of your prosperity! Prepare true specialists, become wealthy and influential! Build a dating room and see your subjects have kids growing up and serving you too! Assume command, my lord! Here are some of the opportunities you get in the game:– Story-driven campaign. In hundreds of missions your heroes fight orcs, giants, skeletons and even dragons! Battle magic, cold steel and cunning strategy – the end justifies the means! - Castle construction. Build new rooms for your mount and upgrade the existing ones. You have everything you need to create a dream castle! Start construction now! To develop the villagers. Each of your subjects can learn new skills and carry any equipment. Train great warriors and scribes... and then exchange them with each other! - Multiplayer mode. Get medieval! Burn and raid the castle on someone you don't like... And you don't like everyone, do you? We are now working on: – Clans: Join an exciting cooperative game! Create clans together with other players, talk in chat, develop kingdoms, train your masters, conquer territories and dominate other kingdoms. – Portals and Mazes: even more options to earn unique chests with precious rewards. New enemies, new bosses and new territories! – Caravans: if you are tired of war, go into business! – The extension of the plot campaign: get to the chief villain and triumph over the universal evil! - Collections and unique heroes - Daily sign-in bonuses - The improvement of the game's visual elements - Optimization and balance in the gameplay - Performance improvements All these and many other innovations await you in the upcoming updates! A grand Hustle Castle event is here! Get ready for the Great Scandinavian Challenge with lots of unique rewards. Pets are now increasing the castle's lucky bonus. – More info about the future development of the Klan territories can be found in the game! by Rexdl · 25 May 2020Current Version: 4.2.13File size: 8 MB | 114 MBMemorize: www.ReXdl.comLoad into the plot of the best Tower Defense game ever created!
