

# We Wish All Parents and Students A Prosperous 2025

As we bid farewell to 2024, we wish to extend our heartfelt gratitude for your unwavering support and trust in our art school. This year has been filled with remarkable moments and achievements, and we are truly inspired by how you and your children have embraced the journey of art and creativity.

Your children have shown incredible talent, resilience, and passion for learning and creating art. Their artworks have brought immense joy to our hearts and continue to inspire us to dream bigger and reach higher. We are honored to be a part of your children's artistic journey and are excited to witness more of their extraordinary talents in the coming year.

During this festive season, we also want to wish you and your families a Merry Christmas and a prosperous 2025. May the new year bring you joy, peace, and abundant opportunities for growth and success. Thank you for being an integral part of our art school family.

Happy New Year!

## Director's Message

Mr. Patrick Tan

喜迎2025年

今年Global Art又长了一岁，在我们欢庆之余也回顾过去那些年苦心经营所沉淀下来的珍贵回忆和美丽的机遇。很幸运的我们有一群忠实的特许经营伙伴、家长及学生们，总是给予不懈的支持，这才成就了今天的我们。对于您们一路以来给予的信任，我感激不尽。

迎来新的一年，我们会更加坚定地追求卓越。一方面扩张和打造一个以专业性、竞争力和富有课堂魅力为核心的团队，同时也优化现有的课程使其更具活力和贴近现代的需求。

我们的创立宗旨是为所有的孩子提供一个系统化学习绘画的平台，让孩子们借此发掘、探索和打磨他们的艺术创意，同时也加强孩子们在日常生活中的自信心。

让我们携手同行，持续创新，  
 为培养充满创造力的  
 新生代作出贡献。

谢谢所有参与  
 GLOBAL ART成长的每一位。

## 2024 is A Year full of Activities for Global Art Hougang, Bedok and Yishun. Let's revisit some of them: Global Art International Grading Examinations

Exclusively for existing Global Art students, this examination serves as a valuable educational tool, providing insight into our students' progress and identifying areas for further improvement. It's worth noting that only a select few art schools have the capability to conduct such prestigious international grading examinations. The examinations are held twice a year in May and October.

Starting in 2024, in addition to receiving a certificate, each student is also awarded a medal for their exceptional performance. This highlights the significance of the grading process as an integral part of Global Art's curriculum.

# Global Art Annual Competitions

Annual art competitions have been a tradition of Global Art. All students are given the opportunity to showcase their talent in at least one of 3 competitions, the centre in-house competition, the National Competition and the International Competition regardless of their ability in art.

There are many benefits of participating in art competitions, e.g, creative expression, time management, patience and discipline, independence, confidence boosting and practical learning by applying classroom learning into competitions.

# Mini Contests and External Competitions

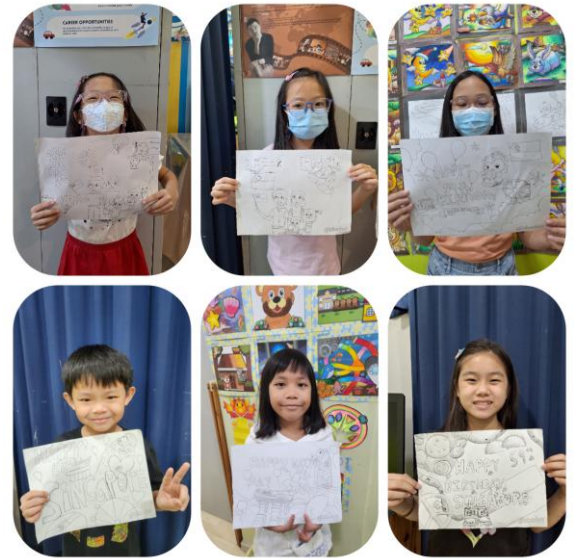

Other than the 3 major annual competitions, Global Art holds several mini contests throughout the year. This allows more students to gain some experience in competitions and build up their confidence to join the annual competitions. Global Art also encourage students to join external competitions so that they can benchmark their ability with other children of the same age.
