INNOVATORS WANTED

SUBMIT YOUR IDEA BY FEBRUARY 26, 2021

IGNITE THE NIGHT AERONAUTICS

A VIRTUAL NASA ITECH EVENT

APRIL 13, 2021 | 2:30-5 EDT

Are you an entrepreneur developing a technology that addresses a real-world problem? Have you thought about how that technology may also be a potential solution for some of NASA's challenges? Don't miss the opportunity to present your innovation at an upcoming NASA iTech event, where entries will be evaluated by NASA's Center Chief Technologists.

NASA iTech is open to all U.S. citizens and U.S.-based companies.

Applying to an Ignite the Night event gets your ideas in front of NASA iTech evaluators early and increases your chance to be selected as a one of the top 10 finalists to compete in this year's NASA iTech Cycle I Forum.
