Message to All Students

Remember — Leaders of the Month are not chosen by leaderboard positions but by their habits, integrity, and effort. Every student at CKSTEM has the potential to become a leader by practicing regularly, staying curious, completing assignments with honesty, and asking questions actively. True success comes from discipline, curiosity, and integrity — not shortcuts. Stay away from AI tools like ChatGPT during your coursework; the goal is to learn by doing so that you can one day outperform AI itself!

Congratulations Once Again!

We're incredibly proud of all our October Leaders. Your commitment, values, and enthusiasm embody the CKSTEM spirit of learning through effort and integrity. Keep growing, keep inspiring, and keep shining!
