Ahead for Eaglet Student-Athletes

# GREAT Facility IMPROVEMENTS

This month, St. Mary’s will break ground on the Lillian DeRose Constantakis Center for Eaglet Student-Athletes within the Dombrowski Fieldhouse. The renovation features important improvements for all student-athletes, with a special emphasis on creating new, dedicated spaces for the Girls Division. The project is scheduled for completion this fall.

The renovation will transform both levels of the Fieldhouse to better serve the daily needs of Eaglets, with a primary focus on establishing a true home dedicated space for the Girls Division:

**A TRUE HOME FOR GIRLS DIVISION ATHLETES**

The second floor will feature newly constructed locker rooms for female student-athletes, along with dedicated space for team meetings, film review, study, and staff support—fully reflecting their place at the center of the St. Mary’s experience.

**NEXT-GENERATION TRAINING AND CONDITIONING CENTER**

The existing banquet area will be transformed into a modern weight room and conditioning center accessible to all student-athletes, significantly expanding training capacity. The space will also incorporate advanced training technology, including a softball hitting simulator and a golf simulator, supporting year-round skill development.

**EXPANDED AND IMPROVED BOYS LOCKER ROOM**

The current first-floor weight room will be repurposed to expand and enhance the Boys Division locker rooms, improving functionality and overall flow within the Fieldhouse.

This work is made possible by a lead gift from Clarence Constantakis, St. Mary’s Class of 1944. The gift is made in memory of his late wife, Lillian, using her maiden name. Mr. Constantakis’ generosity reflects his belief that St. Mary’s was a life-changing experience and his desire to sustain its mission for current and future students.

“Clarence’s support and belief in St. Mary’s is an inspiration to us,” said Todd Covert, Chief Executive Officer. “This is an investment in our future, and our students will be exceptionally well served by these renovated facilities. It is exciting to think about what lies ahead and the history that continues to inspire it.”

Covert noted that this project represents the first phase of a broader effort that will also include additional student and fan seating at Msgr. Milewski Field, along with an expanded press box.

# UNITY TOWER Renovation

This summer, Orchard Lake Schools will begin the renovation of a historic campus landmark—now newly named the Unity Tower—a project rooted not only in preservation, but in purpose.

The concept of the Unity Tower was developed by the St. Mary’s Preparatory Class of 1975, who’s recent 50th reunion rekindled a deep sense of connection to one another and to exploring the tower restoration. From that shared experience emerged a vision: to establish a visible and lasting symbol that honors the history of Orchard Lake Schools while uniting all past and future generations of graduates. That dialogue led to a comprehensive renovation plan, made possible through the financial support of the class, including a lead anonymous gift funding much of the work.

Perched at a defining point on campus, the Tower overlooks Orchard Lake to the west and the Shrine Chapel to the east—standing, quite literally, between the natural beauty of creation and the spiritual heart of the school. In this way, it reflects the fullness of the Orchard Lake experience: one that forms the whole person, grounded in faith, community, and purpose. In this spirit, the Unity Tower will serve as a reminder of an unbroken line—one that begins with those who first walked these grounds in 1885 and continues forward through each graduating class.

Construction is scheduled to begin in May, with completion anticipated later this year. The scope of the renovation includes:

- 1. STRUCTURAL IMPROVEMENTS:** A new roof and replacement of windows to ensure long-term stability
- 2. RESTORATION WORK:** Interior cleaning and exterior brick restoration to renew the historic structure
- 3. TOWER IDENTITY & CAMPUS Enhancements:** Signage on the tower and at ground level formally establishing the landmark; lighting designed to highlight its beauty; and new landscaping on the Quad side, including commemorative pavers recognizing alumni and supporters.
- 4. A CROSS AT THE TOP** of the tower recognizing the school’s core mission and the Class of 1975’s spiritual commitment.

More than a renovation, this project stands as a quiet but enduring witness: that the strength of the Orchard Lake Schools lies not only in its history, but in the unity of its people—formed in faith and carried forward together.

The 5th annual OLSM Band Spring Concert was filled with beautiful performances that showcased the talent, passion, and teamwork of every member of the band - a memorable tradition that highlighted the spirit and excellence of OLSM's music program.

The 2026 OLSM Run for the Roses Auction Gala took place on April 25, 2026. From mint juleps to beautiful centerpieces, every detail brought the Derby theme to life. Guests sipped, shopped the live and silent auctions, and hit the dance floor with the DJ. Dressed in bow ties and fascinators, everyone embraced the theme. Best of all, the event brought the St. Mary's community, including alumni, together in support of the Moms and Dads Club and its initiatives for students.

Dear St. Mary's Families,

It is with a heavy heart that I have decided to step down as the Varsity Hockey Head Coach at Orchard Lake St. Mary's. The past 27 years have been truly unforgettable, and I have been incredibly fortunate to coach so many outstanding hockey players. More importantly, I have had the privilege of mentoring exceptional young men who have gone on to accomplish great things in their lives. During my time as Head Coach, our program achieved tremendous success, including four State Championships, three State Runner-Up finishes, and nine appearances in the Final Four. These accomplishments are something I will always cherish, but what I value most are the relationships built and the lifelong memories created along the way. While I am stepping away from my role as Head Coach, I am excited to continue supporting the program as the new Director of Hockey Operations for Orchard Lake St. Mary's as we move forward into the future. I would like to sincerely thank all the players, parents, and families for your dedication, commitment, and unwavering support over the years. Most importantly, I want to thank the administration for giving me the opportunity to coach at such a fine and historic institution.

Go Eaglets!  
God. Family. St. Mary's.

THE ORCHARD LAKE SCHOOLS  
**AMBASSADORS BALL**

Our 52nd Annual Ambassador Ball was a wonderful evening celebrating our members and donors for their generous contributions and continued support of the Orchard Lake Schools—Orchard Lake St. Mary’s Preparatory, the St. John Paul II Liturgical Center, and the Polish Institute of Culture & Research—through the Orchard Lake Schools Ambassadors Endowment, advancing our shared mission of excellence in education and formation.

We were honored to recognize our Fidelitas Award recipients, Fr. Stan Ulman and Monsignor Frank Koper, both proud alumni who shared heartfelt reflections on their years of service and their deep connection to Orchard Lake.

We also extend our gratitude to Jeff and Michelle Petrucci, our 2026 First Ambassadors, for serving as gracious hosts. The evening also welcomed 13 new Annual Ambassador memberships and 3 new Perpetual Ambassador memberships. Special thanks to our donors: Schwartz & Co Investments, Bloomfield Construction, Dillion Energy, Financial One, the Family of Leo & Bernice Obloy, and Special Drill and Reamer Corp.

Guests enjoyed a variety of auction items and closed the evening dancing to the music of the Cliff Monear Band.

We are truly grateful to all who attended and supported this special night!

**Msgr. Thomas Machalski (P’76, C’80)**

Join us in welcoming Msgr. Machalski back to campus as Concelebrant of our 2026 Founder’s Day Holy Mass at the Grotto. In 2011, he left his Diocese of Brooklyn to serve his alma mater where he was named 3rd Chancellor of the Orchard Lake Schools and 11th Rector of SS. Cyril &

Methodius Seminary through 2017 before returning to his Diocese where he serves as Pastor of Sacred Heart of Jesus R.C. Church - Bayside, New York, and Chaplain for the New York Mets.

**Daniel Whalen (P’18)**

In the April 13, 2026, Archdiocese of Detroit clergy announcements, Deacon Daniel Whalen was appointed Full-Time Priest Support to the Hope Renewed Family of Parishes (8), effective July 1, 2026. It is anticipated that Deacon Whalen will serve primarily at Divine Child Parish

in Dearborn, Michigan. The Our Lady of Refuge and St. Mary’s Preparatory graduate will be ordained to the priesthood on May 23, 2026.

**Austin Healy (P’12)**

After four years living and studying abroad in Kraków, Poland, Austin returned stateside in 2025. During his time overseas, Austin drew inspiration from his experiences to write his most recent book, *Alvaron*, now available. We’re proud to see one of our own exploring the world, expanding his mind, and sharing his stories — welcome home, Austin!

**Trey McKenney (P’25)**

What a moment—not just for Trey McKenney, but for the entire St. Mary’s Prep family when he and his teammates won the national championship. As an Eaglet, when team practices ended,

Trey’s work was just beginning. Late evenings, he was always in the gym—shooting, grinding through drills, lifting in the weight room. Always there. Always improving. Always pushing. And today, McKenney’s dedication exemplifies the power of his dreams.

**SHRINE OF ST. JOHN PAUL II: JUBILEE YEAR PILGRIMAGE SITE**

Did you know that the Archdiocese of Detroit has designated our Shrine Chapel at Orchard Lake one of 12 Detroit-area pilgrimage sites ahead of the Jubilee 2025; a place for pilgrims to visit and receive a plenary indulgence?

*The Church celebrates ordinary jubilees every 25 years. In December 2024, the late Pope Francis ushered in the Holy Year 2025 by opening the Holy Doors of St. Peter’s Basilica in Rome for a year of grace, forgiveness and renewal — centered on the theme, “Pilgrims of Hope.”*

*In 1470, Pope Paul II established the practice of celebrating jubilees every 25 years, instead of 50, to allow more people to experience a Holy Year within their lifetimes.*

# REFLECTION

BY FR. BERNARD WITEK  
DIRECTOR | ST. JOHN PAUL II LITURGICAL CENTER

One of the important characteristics of the Catholic identity is Marian devotion and the whole month of May is traditionally dedicated to the Blessed Virgin Mary. One of the important Marian celebrations is May 13th, the anniversary of the first apparition of Our Lady in Fatima

(May 13, 1917). This year, since Easter was celebrated early, we are also celebrating the memorial of the Blessed Virgin Mary, Mother of the Church, that falls on Monday after the Pentecost (this year on May 25th). An explanation of the title “Mother of the Church,” referring to the Blessed Virgin Mary, was given by St. John Paul II during the general audience on Sep 17, 1997 as follows:

## In the Words of

# ST. JOHN PAUL II

After proclaiming Mary a “pre-eminent member”, the “type” and “model” of the Church, the Second Vatican Council says: “The Catholic Church, taught by the Holy Spirit, honours her with filial affection and devotion as a most beloved mother” (Lumen gentium, n. 53).

To tell the truth, the conciliar text does not explicitly attribute the title “Mother of the Church” to the Blessed Virgin, but it unmistakably expresses its content by repeating a statement made in 1748, more than two centuries ago, by Pope Benedict XIV . . .

This title was rather rarely used in the past but has recently become more common in the pronouncements of the Church’s Magisterium and in the devotion of the Christian people. The faithful first called upon Mary with the title “Mother of God”, “Mother of the faithful” or “our Mother”, to emphasize her personal relationship with each of her children.

Later, because of the greater attention paid to the mystery of the Church and to Mary’s relationship to her, the Blessed Virgin began more frequently to be invoked as “Mother of the Church”.

Before the Second Vatican Council, this expression was found in Pope Leo XIII’s Magisterium, in which it is affirmed that Mary is “in all truth mother of the Church”. The title was later used many times in the teachings of John XXIII and Paul VI . . .

The title “Mother of the Church” thus reflects the deep conviction of the Christian faithful, who see in Mary not only the mother of the person of Christ, but also of the faithful. She who is recognized as mother of salvation, life and grace, mother of the saved and mother of the living, is rightly proclaimed Mother of the Church.

Pope Paul VI would have liked the Second Vatican Council itself to have proclaimed “Mary Mother of the Church, that is, of the whole People of God, of the faithful and their Pastors”. He did so himself in his speech at the end of the Council’s third session (21 November 1964), also asking that “henceforth the Blessed Virgin be honoured and invoked with this title by all the Christian people”.

Polish Institute  
**UPDATE**

BY ANIA BIECIUK  
ASSOCIATE DIRECTOR FOR POLONIA AFFAIRS, POLISH  
INSTITUTE OF CULTURE & RESEARCH AT ORCHARD LAKE

May at the Polish Institute turns our attention to the foundations that continue to shape Polish identity and public life. The celebration of Polish Constitution Day takes place on campus on May 3, marking the 235th anniversary of the Constitution of 1791. For

generations, Poles and Polish Americans have made their way to Orchard Lake to commemorate this occasion, and that tradition continues today. The day includes Holy Mass and a holiday *akademia* prepared by four local Polish language schools in Michigan. The Student Art Competition Awards will be announced at 3:00 pm in the Galeria, recognizing outstanding work from this year's participants. Guests can enjoy a Polish meal and take part in the Vivat 5K Run around our campus.

On May 13 at 7:00 pm EST (6:00 pm CT), Dr. John Radzilowski will present a lecture on Polish Intelligence during World War II, in collaboration with the Polish Heritage Center in Panna Maria, Texas. Guests may attend in person in the Galeria or participate virtually via Zoom.

On May 15 at 7:00 pm, we introduce the Polish Institute Literary Salon with Michigan author Amanda Barratt and her novel, *The Warsaw Sisters*. Developed in part through research in our own archives and the World War II Museum, this work reflects the depth of stories preserved within our collections. The book is available on Amazon, and we encourage guests to read it in advance. Ms. Barratt will gladly autograph guest books, and additional titles from her collection will be available for purchase.

On May 23 at 2:00 pm, we welcome pianist Tetiana Shafran to the Galeria, presented in collaboration with the American Romanian Festival. A First Prize winner of the Olga Kern International Piano Competition, her program will feature works by Beethoven, Lysenko, Busoni, Enescu, and Chopin, offering a rich and varied afternoon of music.

Our current exhibit, "The History of Poland in Posters," remains on view through May 24. The exhibit may be viewed during all our events, as well as by private appointment or guided tour. To schedule a visit, please call 248-836-1284 or email [info@picrol.org](mailto:info@picrol.org).

Looking ahead, on June 20 at 7:00 pm, the Galeria will host the North American premiere of the documentary, "Covenant of Blood: The Last Soldiers of World War II" by Patrick Ney. This one-night-only event includes a screening and a meet-and-greet with the filmmaker, who will travel from the United Kingdom. The film tells the story of the Polish underground soldiers who continued to resist after 1945, when Poland fell under Soviet control. Often referred to as the "Cursed Soldiers," many were persecuted, imprisoned, and executed by the communist regime. As the first English-language documentary dedicated to this history for an international audience, it brings long-overlooked stories to wider recognition. Hosting Patrick Ney at Orchard Lake is a rare and significant moment for our community. We encourage you to join us and to bring your fathers and families as we mark Father's Day weekend together.

United States visit focused exclusively on Michigan. Founded in 1975 in Poniatowa, near Lublin, Poland, this internationally recognized children's ensemble specializes in medieval, Renaissance, and early Baroque music.

What distinguishes the group is the authenticity of their performance. The young artists both sing and perform on historical instruments, including viola da gamba, crumhorn, psaltery, and rebec, often incorporating elements of period movement and presentation. We are thrilled to welcome them to campus.

For tickets and more information on all events, please visit [www.picrol.org](http://www.picrol.org).

W maju zapraszamy do wspólnego przeżywania naszej historii i tradycji. Do zobaczenia w Galerii.

## WITH A SONG IN MY HEART

### An Afternoon of Music with Purpose

Our fundraiser concert, in support of the installation of a new sound system in the Galeria, carried true purpose and meaning. We are deeply grateful to all who joined us and supported this effort.

With heartfelt gratitude, we thank this event's performers for a program that was both beautiful and deeply moving: Stacey Mason, violin and vocalist; Andrew Langlands, vocalist; Ken Krach, pianist. A particularly moving moment was Ave Maria, dedicated to the victims of the Katyń Massacre, a 1940 atrocity in which thousands of Polish officers and intellectuals were executed, remembered on our campus through a sculpture honoring their sacrifice.

With sincere appreciation to our sponsors for their generosity and support: Stephen and Maureen Gross, Waldemar and Annette Raczkowski, Jeff Petrucci, Jason Knysz, Mike and Jo Obloy, Frank and Julie Janosz, and Barbara Glinski,

And with special thanks to our dedicated Co-Chairs: Jo Obloy, Julie Janosz and Barbara Glinski.

For those who wish to contribute, please contact us at (248) 836-1284 or [info@picrol.org](mailto:info@picrol.org). Checks may be made payable to the Polish Institute of Culture & Research and mailed to 3535 Commerce Rd., Orchard Lake, MI 48324.

## ORCHARD LAKE ST. MARY'S CAMPUS

Announced

# 2026 ALUMNI AWARDS

We're so excited to share a first look at this year's Alumnus of the Year and Distinguished Alumni who will be honored at Founder's Day, Saturday, June 6, 2026, at the Founder's, Alumni & Friends Dinner under the big white tent in the Trzcinski Quad and inside the Fr. Rakoczy Gym.

**ALUMNUS OF THE YEAR**

**Joseph Majcher (P'66)**, a St. Mary's Prep graduate, earned Bachelor's, Master's, Doctorate, and MBA degrees from the University of Detroit Mercy. He served in the U.S. Army, attaining the rank of Captain, and spent 37 years as an executive engineer at General Motors. After retiring, he served as mayor and now councilman of Orchard Lake, Michigan, and is a licensed Michigan residential builder. He is vice-chairman of the Board of Regents and chairman pro-tem of the St. John Paul II Liturgical Center. A Regent since 2015, he has served on multiple boards and committees and helped lead major campus projects. A practicing Catholic, he belongs to Our Lady of Czestochowa Parish. He and his wife, Mary, have three children and three grandchildren.

**DISTINGUISHED ALUMNI**

**Peter Facione, PhD, (P'62)**. This Distinguished Alumnus grew up in Detroit, graduated from St. Mary's Preparatory and Sacred Heart College, and earned his PhD from Michigan State University. He has been a lead strategic planning consultant since 2007. He is managing partner of Measured Reasons LLC, a Los Angeles-based research and consulting firm supporting excellence in strategic thinking and leadership decision-making. Facione has served in numerous leadership roles at major universities, was a CFO and COO, and achieved numerous other business accomplishments. His favorite professional sports team is the Detroit Lions. At his OLSM Honors Convocation, he was awarded the "Kowaleski Award" which was given to the most all-around senior.

**Steve Facione (P'70)**. The current Prep Board Trustee and former Regent has built a distinguished career marked by professional achievement and dedicated service to his alma mater. After earning a master's degree from the University of Michigan and working five years in the public sector, he spent most of his 40-year career with Olympia Entertainment, managing Detroit's Joe Louis Arena and Cobo Arena. He also helped lead

the restoration of the Fox Theatre and contributed to the construction of Comerica Park. Named to Crain's Detroit Business "40 Under 40" in 1992, he later worked in development for Prep classmate Richard Trzcinski's Primerica Development and finished his career as Vice President of Franchise Development for Big Boy Restaurants.

**Jesse Venegas (P'99)**. Venegas is President of Ideal Group, a Detroit-based family enterprise spanning manufacturing supply-chain services, construction, and facility protection technologies. Under Venegas's leadership, the company has grown into a nationally recognized business serving major industrial and automotive clients. He is active in civic leadership, serving on the Detroit Opera Board, the Michigan Hispanic Chamber of Commerce (past Chairperson), and the Michigan Hispanic Latino Commission, and contributing to the Rise Higher Detroit initiative. He supports Orchard Lake St. Mary's through scholarships, athletics, and alumni engagement, and aids Detroit Cristo Rey High School. He was named Ernst & Young Entrepreneur of the Year 2025 for Michigan and Northwest Ohio.

**Rev. Andrew Wotta (P '20, C '22, S '26) Posthumous.** Fr. Wotta was a priest, math and science teacher, and the second principal of St. Mary's Preparatory. The graduate of OLSM and accomplished basketball player returned to the Prep in 1922 as a teacher and later coached the Eaglets to their first Class C State Championship in 1933. He also served as Dean of Men and contributed to documenting the history of St. Mary's College. His lifelong dedication to the formation of young men and to the mission of Orchard Lake reflects the enduring spirit of service and leadership the Schools seek to instill in every graduate. Fr. Wotta passed away in 1990. The Fr. Andrew Wotta Center, originally built in 1891 and later renovated for multiple campus uses, bears his name. Like its namesake, the building reflects a legacy of faith, education, and commitment to student growth.
