Table of Contents [Show/Hide] Match-3 is a popular puzzle game that anyone can play and enjoy. When it comes to this kind of game, you can't ignore King.com publisher, who creates the best Match-3 game: Candy Crush Saga. Now, they are back with a new version of a colorful puzzle game called The Diamond Diary Saga. It's a game created thanks to a lot of enthusiasm and publisher effort after a long time they don't have real games that stand out in the mobile game market. In this game you have to say goodbye to the world of candy and welcome to a world full of sparkling jewels. Super exciting puzzle game! Diamond Memories Saga is a new way to play called Linker. If, in Ferdinand: Unstoppable, you have to arrange three symbols with an element and color up to a vertical or horizontal line to score, the game has another way to play: use your finger to drag your screen and connect the same icons nearby, then disappear and create rare jewels. Ironically, the game not only focuses on puzzles, but challenges you with many different topics in each level and requires you to be smart to solve them. In a while the puzzles will be very complicated and difficult. When faced with difficulty levels, I often play a lot of times to get over and that makes me feel excited. Many obstacles and puzzles are quite complex waiting for you to discover designed. To win you have to learn from previous failures to find a way to solve the game. Many massive treasures await you after each level, so don't miss it. You can use diamonds to buy some special items in the game. Diamonds can be received by viewing ads, doing quests or you can buy directly in cash. Hundreds of levels when playing Diamond Memories Saga, you will enjoy a sweet adventure through various terrain and cities around the world. Completing levels is a way for you to have a ticket travelling to the next mysterious land. Hundreds of levels, thousands and myriad mysterious treasures have never been solved. Do you want to conquer everyone to win this game? Some other special modes such as Challenger or Arena are worth playing. You can challenge your friends to see who is going through the highest levels and share their score through social networks. Beautiful graphics, great sound is what I can say about the diamond diary saga. The game is designed with bright and vibrant colors. You have colorful diamonds like green, yellow, red, love, ...
