General

Please fill in as much information as you can here as this will greatly assist us when herbs are being prescribed. We are especially interested in any problems in the following areas:

ENT (Ear, Nose, Throat)	Chest/Respiration
Headache	Appetite
Digestion	Thirst
Bowels	Sweating
Urination	Energy
Sleep	Hot/Cold
Pain	Stress
Diet	Alcohol
Exercise	Smoking
Other relevant information	

Please have copies of results of any investigations done (e.g. semen analysis, fertility blood test results etc.) to hand in case Siobhan has any questions. There is no requirement to have any investigations done prior to your first appointment.
