Persona 5 has a lot of stats that you can enhance by performing various activities around the city, but one of the hardest to find is courage. Raising the gut in Persona 5 is as simple as enhancing other attributes, but you just have to look around for very specific activities. Here are some ways that you can lift your guts in Persona 5. At first, it may seem a little strange, but you can raise your guts by studying in the library. To do this, just go to the library at school and find an open learning table and start learning to gain courage. You will also gain knowledge. At Shibuya Station you can take on the Big Bang Burger Challenge it will earn you guts every time you try, and may be the most effective way to earn courage as you will earn points even if you don't and have more gut points if you complete the challenge. Other things you can try to earn guts go to the movies in Shibuya, aligning Death Confidant, drinking hot coffee, finding and reading books that increase guts, and going to the bath when it rains, there are many other ways to earn guts in Persona 5. Going to the clinic will allow you to earn courage too once you have started a relationship with Takemi. After your first visit to Theamy Clinic, you will hear about a special medication. When you return to the clinic to learn about medicine it will allow you to be her guiney pig and you will earn the courage to take medication. However, you already have to earn courage elsewhere to continue doing clinical trials. - This article has been updated on: April 17, 2017 GAMEGET Twitch Prime Free right now and get in-game items, rewards and free GAME RELATED TOPICS : Persona 5 Royal has a social stats system that allows you to align different aspects of your character that will help you in both your social, like your phantom thief antics. There are five categories of social statistics that can be improved by taking on various daily tasks such as studying or working part-time. Each statistic maxes on 5, which seems like a low lid on paper, but in practice, it will take weeks to align each stat to the maximum. Like everything else in Persona 5 Royal, aligning social statistics takes time and you'll have to put time out with friends or diving in the metaverse if you want to work on improving yourself. Persona 5 Royal provides more opportunities to improve social statistics than a standard game, but it is still a very complex and time-consuming process. Why should I take care of social statistics in Persona 5 Royal? Social statistics affect all aspects of Persona 5 Royal. They regulate what you are able to do and who you are see for the day. If you want to do a clinical trial with Takemi, for example, you need to raise your gut stat to a certain level. Anne would not see you if your kindness is high enough, and the same goes for Makoto and knowledge. Your skill stats affect the number of infiltration tools you can do at a time, too. The flower shop won't hire you if your charm is high enough, either. Improving your social statistics can open up a few new opportunities for you at Persona 5 Royal, and this can greatly benefit you in the long run. Fortunately, Persona 5 Royal adds some new ways to improve social statistics, and the addition of the third semester gives you a ton of extra time to max out your social statistics. The best ways to increase guts, skill, kindness, charm, and knowledge in Persona 5 Royal Best Ways to Improve Gut Guts is by far the most difficult social stats to raise simply because there aren't many ways to improve it as other statistics. You will probably have to rely on activities that can raise all social stats like reading books or watching rented DVDs. That being said, Guts can be increased by doing the following: Participating in clinical trials with Takemi Taking Big Bang Burger Challenge Order Surprise Sando while studying at Diner Reading Books Watching Movies Playing Video Game Play best ways to improve qualifications can be quickly improved early on, because most of the upgrade techniques it unlocked from the start. There are several jobs that pay well along with improving these statistics, and you can even get items from developing infiltration tools while improving those statistics as well. The profession can be increased by doing the following. Spend Time with Iwai Working Part-time in the Beef Bowl Shop Working part-time at the Crossroads Visit batting cages crafting infiltrating tools in your room (especially on rainy days) Ordering a Totem Pole while studying at Diner Going Fishing Reading Books Watching Movies Watching DVDs Playing video games Best ways to improve the kindness of the two best confidants in the game to raise your kindness stat so you'll probably get a boost in this department as a result. In addition, many activities that improve kindness can be done in the evening at Leblanc after being metaversed, so you don't have to worry about fatigue. Kindness can be improved by doing the following: Spending time with Sojiro Spending Time with Shinya Working Part-time in the Flower Shop Cleaning LeBlanc Trends to Plant in Your Room Ordering a Nostalgic Steak While Studying at Diner Reading Books Watching Movies Watching DVDs Playing video games The best ways to improve the charm is another social stat that can be improved by spending time with Confidants, so you don't have to have a hard time achieving these high ranks. You can also start aligning it effectively quite early and you can also get a good boost from school activities if you focus on other social stats as well. The charm can be improved by making Spending time with Yoshida Spend Time with Ohya Visiting Baths (especially monday/Thursday/Rainy Days) Visiting Maid Cafe Doing particularly well in exams (requires high knowledge) Dodging threw chalk in the classroom (requires high qualifications) Part-time in the Convenience Store Reading Books Watching Movies Watching DVD-Play Video Game Play The best ways to improve knowledge while being a student, Knowledge is crucial to learning. You can continually improve it without taking extra time answering questions correctly in class, so you'll have steady knowledge points coming in if you know all the answers. Knowledge can also be improved along with some other social stats in places like Diner. Knowledge can be improved by doing the following: Spending time with Hifumi Choice to pay attention to the classroom rather than slacking the answers to the questions of the class correctly Learning in the library, Diner, or Leblanc Answering TV quiz questions correctly Deciding crosswords in Leblanc Reading Books Watching Movies Viewing DVD-play video games Another way to improve social statistics there are some things in Persona 5 Royal that will improve your social statistics on a small number. Working part-time at Crossroads provides an opportunity to improve many of your social stats depending on the clients present at the time. Taking a Big Bang Burger challenge can increase every one of your social stats other than kindness if you succeed, but even if you don't, you'll still get a little boost for Guts. Finally, the juice stand in the Shibuya Underground Passage sells juice that increases one of your stats without passing at any time. Planning from your weeks to take advantage of the boosts-up get on certain days, like going to the bath on Mondays or Thursdays or buying juice on Sundays, is key in improving all your social stats as efficiently as possible. - This article has been updated on: April 4, 2020 GAMEGet Twitch Prime is free right now and get in-game items, rewards and free GAME RELATED TOPICS : This site uses cookies to improve your experience. In Persona 5, social statistics increase depending on your actions and how you choose to spend your free time. Unlike EXP, which increases when dealing with shadows and studying dungeons, they slowly increase one by one depending on who the characters you interact with, or the food or media that you consume on your schedule, and in turn increase your effectiveness in combat. While it is usually possible to do more or less anything at any time, some activities can provide great benefits if done at certain times, so it is important to understand how to Work. It should be noted Persona 5 Royal Social Stats have some new activities to take advantage of if you are looking for them. Otherwise, if you need help for other parts of this game, check with our Persona 5 guide and step-by-step guide. You'll find that some of your proxies and social links will require a certain level in one of your overworld progress stats past rank 5, and The Untouchables store has some better gear for selling the one you have enough Guts to ask about it, so increasing the statistics you need effectively will be important. They are not the only way to do this, but they are consistent, so if you need a little boost you can always rely on at least one to be available at any given time. Guts Gut Increase can be achieved by visiting Tae Taka and participating in her medical tests by ordering coffee at Shibuya Diner, or taking part in the Big Bang Burger Bar Challenge after May 6. CharmCharm can be increased by taking a bath in the bath, and if you save that on Monday or Thursday you will get 3 points of charm, not 2. Shibuya Diner will start serving Frui-Tea when the heat hits in August, and that will earn you a point of charm (in addition to two or three points of knowledge). Doing well in your exams can also grant Sharm, but you will need to rank up your knowledge first - your score is partly based on how well you answered the questions, but also partly on your basic knowledge score. KnowledgeThe easiest way to gain a constant amount of knowledge is simply by answering questions correctly in class - of which we have a list of test answers to help with - and you can also get a point every Wednesday by answering a question on a TV quiz show at Leblanc.Drinking Coffee or Frui-Tea's Shibuya Diner earns two points, but if you do it on a rainy day you'll earn three. ProficiencyCrafting in your room will earn two or three Proficiency points - the exact amount is random, but the higher your skill, the more likely you are to get an extra point. :: The 20 best PS4 games you can play right now Taking a part-time job at the Beef Bowl in Shibuya not only earns the skill, but also pays well enough, or you can try your luck in batting cages, but there's no guarantee that you'll get anything out of it! The KindnessFeeding plant in your room with Bio Nutrients earns two points, and the more expensive organic nutrients earn three, but this can only be done once every couple of weeks, so it's best to take a part-time job at the flower shop at Shibuya Underground Mall, which provides a reliable source. Burgers The Big Bang Burger Bar sometimes offers a challenge that can earn you guts, knowledge, charm and skill. The lower your existing Guts score the less chance you have success, but for the Braves it's a good source of small momentum to four out of five stats. Books Books are another good source for increasing your stats. Go to the school library or bookstores in Shibuya, Shinjuku and Jimbocho and see what's on offer. The book description usually gives a hint about what stats this will stimulate, but remember that you need to read the book twice in order to do you any good so they better leave on time when you have nothing else to do, such as commuting by train, or slacking in class once you have reached Temperance rank 5. Movies and juice You can get a boost of statistics from watching a movie or drinking juice from a stand in Shibuya Underground Passage on Sunday; Affected stat changes each time so they are less useful for creating one in particular, but juice drinking doesn't cause time to pass, and movies can be used to enhance your rank of confidant with Yosuke, Ryuji, Makoto, or Ann, so they're worth keeping in mind.
