Instructions

Please follow these steps to download, install and register your Ad-Aware Pro:

If you do not have Ad-Aware, start at the Installation section. You will download Ad-Aware Free and follow the instructions to upgrade to the Pro version.

If you already have Ad-Aware installed on your computer, skip down to the **Registration/Activation** section.

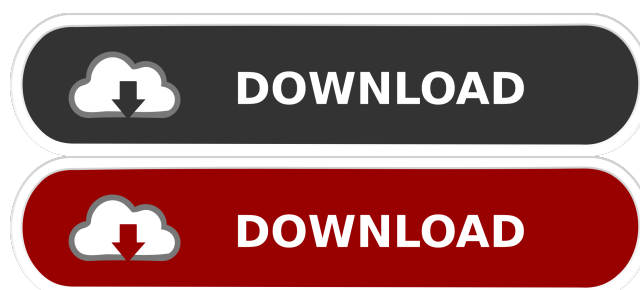

Installation:

1. Download the Ad-Aware Free installation file: ([Click Here to Download](#)).
2. Run the file and follow the on-screen instructions in the Installation Wizard.
3. To complete the installation you must restart your computer. Check the option to "Restart now."
4. Click "Finish".
5. After computer restart, Ad-Aware will be completely installed.

Registration/Activation:

1. The Manage License window will open automatically when Ad-Aware is started for the first time. Alternatively: Click the "Register" button at the bottom of the main status screen.
2. Enter your Serial Number (Note: the serial number is case sensitive):
V9QH0-5DV67-
3. Click "Register". Ad-Aware will connect to the Internet to validate your registration.
4. "Thank you for registering Ad-Aware" will appear once successful. Click "OK".
5. The Update Manager will launch and download the software modules required for Ad-Aware Pro.
6. Restart Ad-Aware to activate the full-featured version of Ad-Aware Pro.
