RE: TEDxATOPerth 2018 Event

To whom it may concern

This letter is to confirm and acknowledge the valuable and professional contributions made by Mr Shil Shanghavi to our TEDx event held here in the ATO Perth office on 6 December 2018.

Shil gave above and beyond in his assistance during the lead up to the event in providing valuable feedback to our in-house speakers through 3 rehearsals, developing their confidence and showing them ways to improve not just their speech structures but their presentation skills as well.

Shil also offered great advice on the management of our event.

In addition to the above, he also prepared and delivered an emotional and very encouraging speech at the event, which was very warmly received. So many people have related similar struggles and were comforted by the story.

Overall, Shil's involvement in TEDxATOPerth 2018 was highly valued by ATO Perth.

Yours faithfully
