Seller Inventory and 0076644472_mcf__V more information about this seller Contact this seller We will love your help. Let us know what's wrong with this preview of Glencoe's Mathematics, Accelerated, Pre-Algebra Programs, Assessment Masters, CCSS, McGraw Hill Core General Edition. Rigor is built in and maintained throughout the program. The three components of rigor - conceptual understanding, application and procedural fluency - are embedded in resources, lessons and practical assessments. Glencoe Math Accelerated makes math real for students. Digital planning tools and interactive resources are available online with The ConnectED platform, easy to use and evaluate. Use them as is or make them your own to spark student thinking. Glencoe Math Accelerated meets students wherever they go. Assessments will help you determine your level of knowledge before, during and after class. Differentiated learning resources provide an approach to students of master concept level before moving on, while outside-level students are constantly challenged.
