

August 27, 2020

Greetings,

I am writing on behalf of the Minneapolis/St. Paul Chapter (MSP) of the National Association of Women in Construction (NAWIC). NAWIC is dedicated to enhancing the success of women in the construction industry by building educations, careers, futures, and lives. You are receiving this letter regarding our Women Build Event with Habitat for Humanity coming up this Fall. Women Build is an opportunity for women to network, collaborate, and connect with others and help build a lasting promise in our communities.

This is where we are asking for your help. NAWIC MSP is looking for sponsors to help fund this great event to support growth in our community.

Benefits of becoming a sponsor:

- Show you support women in the construction industry
- Show that you are making a good faith effort to recruit & retain qualified women in the construction industry
- Market to other industry professionals
- Networking opportunity for your employees

We understand everyone's sponsorship abilities are different at this time and appreciate any support you can give to the Local NAWIC Chapter. If you or others at your company would like to learn more about NAWIC or participate in our next meeting please reach out.

I greatly appreciate your consideration of this request. Please contact me with any questions you have.

Sincerely,

Caitlin Kittle

Women Build Committee Chair
