Four Clicks

1 Archiarchy

Long before sunrise Saturday, 14 May 2022, during the recent 30-person Possibility Village Lab at [Inlakesh Ecovillage](#) in Chiapas, Southern Mexico, barking dogs wake me up. I insert earplugs, but cannot fall back to sleep. This is when my Archetypal Lineage informs me that we have misspelled the word 'Archearchy'. "It should be spelled with an 'i' instead of an 'e', so that the evolution of human cultures is clear: Matriarchy, Patriarchy, Archiarchy." I am shocked. We have used the improper spelling in 526 websites of the [StartOver.xyz](#) game. My updated and expanded [Conscious Feelings](#) is about to go to print with the outdated spelling. I frantically write the publisher to see if there is any chance to make the changes. He writes back that I am a 'lucky duck' because the manuscript has not yet gone to press. He agrees to make the changes for no cost. Changing websites can now proceed. Will you help us make the change? It is simple. Just keep it in mind each time you write the word 'Archiarchy', and each time you go looking for an Archiarchal website, spell it with an 'i' instead of an 'e'.

Here are the website URLs that are changing: (NOTE: If you have used any of these URLs as links in your own website, or in articles or YouTube descriptions, would you please go back and change them? That would help a lot. This is the very *beginning* of Archiarchy. As Frank Herbert wrote in his [Possibilitator Book](#), [Dune](#), "A beginning is the time for taking the most delicate care that the balances are correct.")
