Charlie and I would like to **thank everyone** for their continued support. The Neeld Arms would not be “a proper pub” without its locals, regulars, business travellers, one-off visitors, football team, cricket teams, wedding goers, family partiers, Neeld youth, lunchers, early doors, shooting parties, Castle Combe racers, tv production teams and the list goes on and on.

We will open again as soon as we can.

In the meantime, stay safe

Boo and Charlie x
